

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 1651 – SB 1760**

January 28, 2022

**SUMMARY OF BILL:** Deletes all references to municipal “off-premise sign” and “off-site sign” and replaces the language with “outdoor advertising device.” Requires municipalities, in the event of a zoning change, to allow current structural and illumination technologies to be used when outdoor advertising devices are constructed or expanded.

**FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Replacing “off-premise sign” and “off-site sign” with “outdoor advertising device” mirrors the language used in the *Outdoor Advertising Control Act of 2020*. This change in language will have no fiscal impact to local government.
- Requiring municipalities to allow certain technologies to be used when outdoor advertising devices are constructed or expanded is not expected to substantially impact the total number of devices constructed or expanded, nor are the fee structures affected by this allowance. Therefore, this will have no significant fiscal impact to state or local government.

**CERTIFICATION:**

The information contained herein is true and correct to the best of my knowledge.
